The Cart Driver provides the scores and statistics for each player after every hole to the Radio Operator. The Radio Operator records this information on a form provided by the Tour. This information is then

entered into a computer or PDA (a small wireless device) by the Computer Operator (described above). The data is then automatically uploaded to the Internet. Volunteers needed FRIDAY, SATURDAY, AND SUNDAY.

SCORING TENT - Scoring Tent volunteers verify each scorecard in the Scoring Tent after the player has completed their round. Volunteers needed FRIDAY, SATURDAY & SUNDAY.

Stationed near a fairway or a green, spotters watch each shot and help locate a ball in situations where the player may not have a clear view of the ball’s final resting position. Volunteers needed FRIDAY, SATURDAY & SUNDAY.

STANDARD BEARERS - Standard Bearers walk the course and carry a standard-bearer sign which includes the names and scores of the players in a specific group. They confirm each player’s score with the Cart Driver and update scores on the sign as play progresses for the entire round of 18 holes. Shifts last as long as it takes to complete the round of golf. Standard Bearers work in two-person teams with one person at a time carrying the standard (standards weigh approx. 10-15 pounds). Volunteers needed SUNDAY ONLY.
